

Cultivating new creativity, building personal connections: it's a trump card for improving research potential

Campus cross-linkage system UCEE systems are recruiting users

Registration and usage: free

What are UCEE systems?

- An academic social networking site (managed by UCEE Net, a non-profit organization formed by the engineering schools of the 8 leading technical universities in Japan) which integrates information about employment opportunities and academics

What can you do as a user of UCEE systems?

- Scientific literature
- Information about employment
- Sharing information with the community via the social networking site
- Acquiring relations in science and technology

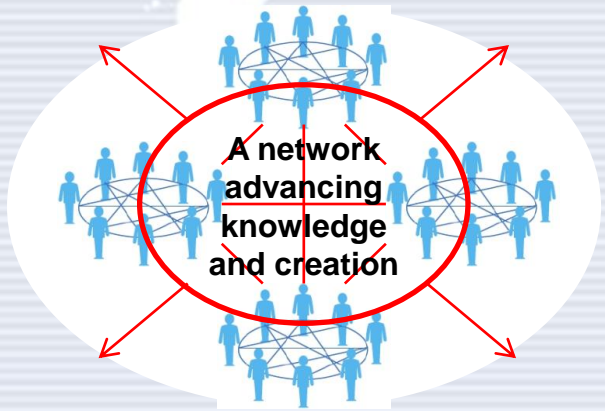

The mission of UCEE Net ⇒ Improve creativity by expanding frame of thinking

- Field
- Universities
- Industrial world
- Promoting exchange that has crossed over the national border
- Students
- Strongly cross-linking teaching staff and members of the industry and cultivating talent
- Solving challenges
- Face the challenge of accelerating information exchange and creativity by arranging seminars etc.

Enjoy an interesting campus life with the UCEE systems

The way you use it depends on you

Try using it! <http://uceenet.jp>

What can you do as a registered user of UCEE network?

★ SNS functionality
Community creation and participation is simple

Connecting university students, teaching staff and industry researchers
(Expand your contacts!)

Feel close to industry members who you usually can not contact
(Discussion with industry members)

★ Acquire the latest literature automatically just by inputting the relevant research keywords

★ Acquire relevant employment information automatically

Please visit <http://www.uceenet.org> and proceed to register

Further information: UCEE Net office (152-8552Meguro-ku,O-okayama2-12-1, Tokyo Institute of Technology, South 5 bldg, room 515; ☎81-3-5754-5366; e-mail, uceenet@clear.ocn.ne.jp; Home page, <http://www.uceenet.org/>)

Remarks: 8 universities: Hokkaido University, Tohoku University, Tokyo University, Tokyo Institute of Technology, Nagoya University, Kyoto University, Osaka University, Kyushu University
UCEE: University Coalition on Engineering Education
UCEE Systems: SNS (Social networking site) managed by UCEE Net (<http://uceenet.jp/>)
